

“Ten years from now, in 2030, we will either have written a very positive story, or we really will be condemned to an endless destruction.

So, for these 10 years, we hold the pen.”

- *Christiana Figueres, Executive Secretary, United Nations Framework Convention on Climate Change*

“Never doubt that a small group of thoughtful,
committed citizens can change the world.

Indeed, it is the only thing that ever has.”

- *Margaret Mead*

“When we try to pick out anything by itself,
we find it hitched to everything else in the universe.”

- *John Muir*

“It is not because things are difficult
that we do not dare.

**It is because we do not dare
that things are difficult.”**

- *Seneca*

**We advance resource efficiency
to cultivate a better agricultural future**

“There is a conversation in the room
that only these people at this moment can have.

Find it.”

- *Adrienne Maree Brown, author of Emergent Strategy*
